Chicago Minister Goes Insane
From Strange Hallucination

IS TAKEN TO AN ASYLUM

Reference to the Bugaboo Which En-
thrilled Him Began to Creep Into
His Sermons—His Friends Greatly
Worried.

CHICAGO, June 17.—A despatch to the Tribune from sterling, Ill., says: From a strong man physically and mentally to an inmate of an insane asylum wrecked both in mind and body is the metamorphosis of a prominent minister of this city, through the hallucination that he had told a lie about a member of his congregation.

The decline of the preacher following the birth of his delusion was rapid. Only a few weeks sufficed to transform him from a vigorous, aggressive exponent of the Gospel to a subject for legal inquiry.

The Rev. Ezra Florry has for a long time been the pastor of the Church of the Brethren better known as the Dunkard Church in this city. Mr. Florry taught a literal interpretation of the Bible. No word of his mouth admitted of doubt until a short time ago. His intimate friends were puzzled one day to hear him speak of injuring one of his devotees by speaking untruthfully of him.

The investigation showed that this only existed in the mind of their pastor and they endeavored to lead him away from his morose thoughts. Their efforts were of no avail.

From dwelling upon the subject among friends, the minister continued until he included all to whom he talked in his self-denunciation. Reference to the bugaboo which enthralled him began to creep into his sermons.

Then the delusion became even more firmly fixed and grew to the extent that he imagined himself pursued by the person he thought he had wronged. At last it became imperative that something be done. His case was taken into the probate court and last night, after having been adjudged of unsound mind, he was taken to an asylum.

Before coming to this city, Mr. Florry was a resident of Dayton, Ohio, where he was widely known among members of the Dunkard Church.

Cured Hemorrhages of the Lungs.

"Several years since my lungs were so badly affected that I had many hemorrhages," writes A. M. Ake, of Wood, Ind. "I took treatment with several physicians without any benefit. I then started to take Foley's Honey and Tar, and my lungs are now as sound as a bell. I recommend it in advanced stages of lung trouble." Foley's Honey and Tar stop the cough and heals the lungs, and prevents serious results from a cold. Refuse substitutes.

WILL TRY AGAIN

MANILA, June 17.—The radical
members in the assembly are again
endeavoring to secure the introduc-
tion of an immediate independence
resolution. The conservatives are op-
posing the proposition and will prob-
ably head it off. Should it reach the
floor Speaker Osmeña will likely rule
adversely to the matter, on the ground
that this extra session has been called
for certain and specified purposes.

The Best Pills Ever Sold.

"After doctoring 15 years for
chronic indigestion, and spending over
\$200, nothing has done me as much
good as Dr. King's New Life Pills. I
consider them the best pills ever
sold," writes B. Y. Ayscue, of Engle-
side, N. C. Sold under guarantee at
Charles Rogers & Son's drug store.

W. R. Ward, of Dyersburg, Tenn.,
writes: "This is to certify that I have
used Orin Laxative Fruit Syrup for
chronic constipation, and it has proven,
without a doubt, to be a thor-
ough, practical remedy for this
condition."

Closing the List After an All
Night Session

TEXAS COMPLETES WORK

The Cases of the Tenth, Eleventh
and Twelfth Districts of Missouri
Were Decided in Favor of the Taft
Delegates.

CHICAGO, June 17.—It was after
4 a. m. today when the committee on
credentials, after an all night session,
passed upon the last contests, closing
the list with the cases covering the
entire State of Texas case was decid-
ed by the committee in accordance
with the previous decisions of the
national committee and in almost
every instance the seated delegate
was one instructed for Taft. A de-
scenting report will be made by the
minority of the committee.

In the Tennessee cases the deci-
sions of the national committee were
all confirmed, the contests involving
the delegation at large and the sec-
ond, third, fourth, fifth, sixth, seventh,
eighth and tenth districts—all but two
of the entire state. Practically the
whole time was devoted to the sec-
ond district, represented by Con-
gressman N. W. Hale. He was op-
posed by R. W. Austin, formerly
United States consul general at
Glasgow and now a candidate for the
republican campaign nomination.

The cases of the tenth, eleventh
and twelfth districts of Missouri were
decided in favor of Taft delegates as
they were by the national committee.
Just after 4 a. m. the Texas cases
were completed, all the Taft dele-
gates being seated, in accordance
with the previous difficulties of the
national committee. The Texas cases
covered the entire list.

This completes the list of contests.
In the Arizona case the committee
seated the Sloan-Powell delegation in
accordance with the recommendation
of the national committee. This was
not a case of Taft or anti-Taft. The
territory is entitled to two delegates,
four had credentials and the proposi-
tion was made that all four be seated
with half a vote each. The committee
refused to do this.

Will Cure Consumption

A. A. Herren, Finch, Ark., writes:
"Foley's Honey and Tar is the best
preparation for coughs, colds and
lung trouble. I know that it has
cured consumption in the first stages."
You never heard of any one using
Foley's Honey and Tar and not be-
ing satisfied.

A man who is in perfect health, so
he can do an honest day's work when
necessary, has much for which he
should be thankful. Mr. L. C. Rod-
gers, of Branchton, Pa., writes that he
was not only unable to work, but he
couldn't stoop over to tie his own
shoes. Six bottles of Foley's Kidney
Cure made a new man of him. He
says, "Success to Foley's Kidney
Cure." T. F. Laurin, Owl Drug Store.

A cough cure than can be given to
children without chance of harm is
Kemp's Balsam, the best cough cure. It
does not contain poisons or harmful
drugs. Druggists sell it.

If you will make inquiry it will be
a revelation to you how many suc-
cumb to kidney or bladder troubles
in one form or another. If the patient
is not beyond medical aid, Foley's
Kidney Cure will cure. It never dis-
appoints.
